PINOT GRIS

DEL RIO 2013 Pinot Gris

The delicate and complex nose of the 2013 Pinot Gris displays aromas of pear, peach and grapefruit with a savory smell of pastry and warm bread. The round and tasty mouthfeel is a compilation of minerality and creaminess.

Crisp & Refreshing

Pinot Gris & Pinot Grigio are clones of the same family. Del Rio's Pinot Gris ages for 6 months on the lees, 3% undergoes malolactic fermentation in neutral oak!

Apple, Pear, Greens & Goat Cheese

VIOGNIER

DEL RIO 2013 Viognier

Enjoy the intense and refreshing nose with notes of peach with hints of Acacia flowers and adding an intriguing complexity to the nose. The melon and white flower notes bring freshness to the wine while a nice minerality balances the wine and gives length and elegance.

Fresh & Complex

98% stainless steel aged, 2% sees barrels for 8 months. While not the easiest to say this grape brings much of chardonnay's best character with more fruit & floral

Crunchy Shrimp Cake & Mango

SYRAH

DEL RIO 2012 Syrah

Aromas such as lavender, oregano, blueberry, licorice, plum and roasted coffee create the intricate nose. The mouth is generous with fig, plum, chocolate and cassis flavors. The firm and young tannins give this Syrah the potential for excellent aging.

Savory & Complex

This is a Del Rio signature wine, produces characteristics that are unique and elegant with a great potential for aging!
